Le 2013

A CONSUMER VINTAGE

featured at a special tasting on the 4th of June 2016

2013 was a challenging year in which the Grands Crus de Bordeaux succeeded in producing charming wines that will be ready to drink earlier than usual.

They correspond to the clear need for more easy-going vintages that are less powerful and enjoyable sooner, like the 80s, 84s, 87s, 91s, 92s, 93s, 97s, 2002s, 2007s and, more recently, the 2011s.

Such wines are ideal at restaurants or served slightly chilled for a meal with friends - not to mention their price tag, which makes them even more attractive...

Some great surprises are waiting for you at this tasting! I hope you will enjoy it!

Yours sincerely,
Olivier Bernard
